Updating your phone number with your bank is important to ensure you receive important notifications and for account security. Here are common ways to update your phone number with your bank:

1. Online Banking / Mobile App

- **Log in** to your bank's online portal or mobile app.
- Go to **Profile, Settings, or Personal Information**.
- Look for the **Phone Number** section and select **Edit/Update**.
- Enter your new number.
- You may be asked for **OTP verification** or password confirmation.
- Save the changes.

2. Visit Your Branch

- Take a valid **photo ID** (and your ATM/debit card if required).
- Fill out a **phone number update form** provided by the bank.
- Submit the form and ID to the bank staff.
